Subject: Discrepancies in the conduct of JE (erstwhile TTA) LICE held on 28.1.2018

\*\*

Respected madam,

This is regarding discrepancies in the conduct of the JE LICE (Erstwhile TTA) held on 28.1.2018. The said examination was conducted on On line mode in the circles. All the officials who have taken the examination have complained that the examination paper given was very tough and as many as 70 and odd questions were out of syllabus.

The standard of the paper is so tough that even an engineering graduate would find it difficult to answer the paper. It is further understood that the questions that were given are perhaps from the last 3 JTO LICE Examinations held in the year 2016.

Madam, the officials who have appeared in the JE LICE are mostly from Line staff cadre and whose basic educational qualifications are 10+2. As such most of them have found it very difficult to answer the paper.

**Further the answer key for the aforesaid examination has not yet been released so far. This is giving doubts to the officials who have appeared in the examination further.**

**In view of the above it is requested to kindly get the key released immediately so that the picture becomes clear and if our doubts are true with regards to the questions that are given in the examination, then full marks should be granted to the officials who have appeared in the examination for all the questions that are out of syllabus.**

With profound regards,

Yours faithfully,

(R.C.Pandey)
