Subject: Extension of five day working pattern for BSNL administrative offices– reg..

Respected Sir,

This union has been requesting the BSNL management for the past several years to extend the 5 day week working pattern in all BSNL administrative offices to save on costs arising out of huge expenditure incurred on energy, fuel etc. Practically there will not be much of a work to do on Saturdays in the administrative offices due to the fact that the BSNL corporate office is closed on Saturdays and all the Central Government offices and other IT related offices are also closed on Saturdays. This will enable the BSNL management to save huge amounts that are being spent now on account of Current bills, fuel used for departmental vehicle which are used to ferry the senior officers and also on other counts.

2. Now that the Banking industry also has introduced the 5 day week working pattern for its staff and the Life Insurance corporation is also all set to follow suit there will not be any problem if the same facility is extended to all the BSNL administrative offices also by adjusting the working hours suitably.

3. Further we would like to bring to your kind notice about a fake order which was circulated on the social media on 27.11.2015 by some one and followed up by the representatives of the recognized unions in some circles stating that the BSNL management has taken a decision to follow 5 day week working pattern on alternative Saturdays in BSNL offices. We would like your kind self to kindly order for an investigation as to how this kind of a fake message has found its way into the social media and it seems that this has emanated from Punjab circle.

4. Nevertheless we shall be grateful to you if you could kindly consider our request as stated in para 2 above, the BSNL management can save on lot of expenditure for the company in these hard days.

Thanking you,

Yours faithfully,

(R.C.Pandey)
General Secretary
